Timer Job Description

1) Communicate well in advance any dates that you are not available to work.

2) Suggest, using our staff web portal, which events you would like to do.

3) Prepare for your event as needed the day before.

4) Travel to the event, arriving at least two hours before the event starts.

5) Set up the finish line as determined by the event type.

6) Coordinate with race director regarding other pre-race tasks.

7) Provide near-live results using GSE software.

8) Make sure equipment is stored and loaded correctly at the event's conclusion.

9) Perform any post-race tasks in a timely manner after returning home.
